

In order for our relationship to be in a mutual and healing environment, a list of the **approximate** current fees for some of the common services are provided if paid for at the time of service. We hope that you find our services a value. We respect the value of your labor as we hope you will ours.

**With Dr. Kaslow**

NEW PATIENT CONSULTATION 40+ minutes	\$300.00
EXTENDED CONSULTATIONS SEEN FOR PDD, ASD, Cancer etc.	\$400.00 per hour or portion thereof

*An initial visit includes evaluation by Dr. Kaslow, assessment of your fat and carbohydrate metabolism, body fat, water, and lean body mass determinations, Traditional Chinese Medicine meridian assessment, Acoustic Cardiograph muscle and nerve efficiency assessment, toxic ionic metal presence in the urine, sulfur adequacy, adrenal competency, pH with mineral reserve status, autonomic nervous system profiling, body measurements that help predict hormone balance and needs, etc. This information helps to enable Dr. Kaslow to understand your biochemical state in terms of fat and carbohydrate metabolism, nutritional needs, hormones, nervous system, and ability to achieve optimal health. Those items with a [1<sup>st</sup>] next to it are typically performed at the first visit. The cost therefore is \$550-\$600.00 for this first visit.*
